

## TECHNOLOGY, MEET COLOUR.

We believe in choice. That's why we offer a choice of door and window styles, a choice of door glass, a choice of options, and a choice of interior and exterior colours. Designed to withstand everything our harsh climate can throw at them, our factory applied coatings are available in a colour palette inspired by the beauty of nature. We invite you to envision the exciting colour possibilities for your new home or existing doors & windows.

### PERMAFINISH WINDOW, DOOR SLAB & FRAME COLOURS

Available on all doors & windows. Each application has its own unique finish – colours will vary slightly from those illustrated. Custom colours are available.

### STAIN COLOURS FOR TEXTURED FIBERGLASS DOORS

Each application has its own unique finish – colours will vary slightly from those illustrated. Please refer to our stain sample colour board for actual colour, available at your local authorized dealer.

Note: Available on textured fiberglass doors only. Each stain application has its own unique finish – colours will vary slightly from those illustrated. Kohltech warranty covers stained doors for 10 years, for complete details on our warranty, visit [www.kohltech.com](http://www.kohltech.com).
